

Guide to 1878200 'Dial-a-Weather' Service

* : return to previous layer
 0 : return to the main menu
 # : listen to the default message (Local Weather Report, Forecast and Outlook)
 g : speak to our weather service officer

† When listening to the regional weather information
 # : skip to the next piece of information
 ** : repeat the previous information

@The Hong Kong Observatory will discontinue this fax service on 30 June 2026 and other information enquiry services of the "Dial-a-Weather" system remain unchanged. From now on, you may visit the website (<https://www.hko.gov.hk/en/eservices/webdocs.html>) to obtain the information originally delivered via fax. For enquiries regarding the above arrangement, please contact the Scientific Officer (Service Delivery) at 2926 8354 during office hours.

Guide to 'Obtaining Information by Fax' Service
