Dear Dr. LEE,

I would like to take this opportunity to express my heartfelt thanks to you for your very enthusiastic participation in arranging an educational visit on 2009-07-24 for 40 cadets from 10 countries in this year's "International Air Cadet Exchange 2009". The Organizing Committee of HK IACE and Board Members of the Hong Kong Air Cadet Corps have also wanted to pass on their sincere appreciation for your efforts in supporting the Corps in this important undertaking.

The aim of our program is to foster international friendship among young air-minded people through culture exchanges. Thank you for your contribution in providing a unique element of Hong Kong where reflecting the special culture's mix of the modern Western technologies and traditional Chinese practices. This was very much appreciated by all of our exchange delegates from total nine different visiting countries who were first time set foots on Hong Kong. As well, we have received numerous good feedbacks toward your organization that brought wonderful and memorable experiences to all the participants in this year's IACE program.

Again, thanks so much for your participation in our exchange program. I have no doubt that it would not have been the success that it was without your presence. Please also convey my special thanks to Ms LAM Ching-chi, Queenie, CMet FRMetS, who had done a wonderful job and without her arrangement, our exchange would not be a success.

Very Sincerely Yours,

Ag Squadron Leader Peter NG
